Activity Pack

Well done for meeting our resident creatures! There lots of real
creepy crawlies around as well if you can spot them!

Be kind to your printer -
only Print Pages 2-5!

Dot to Dot

Connect the dots from 1 to 27, then can you guess which animal it is?

What am I?

How many ladybirds can you spot on the page?

Word Search

Can you find all the hidden words in our word search?

Spot the Difference

Find the 5 (or maybe 6?) differences in the two images below!

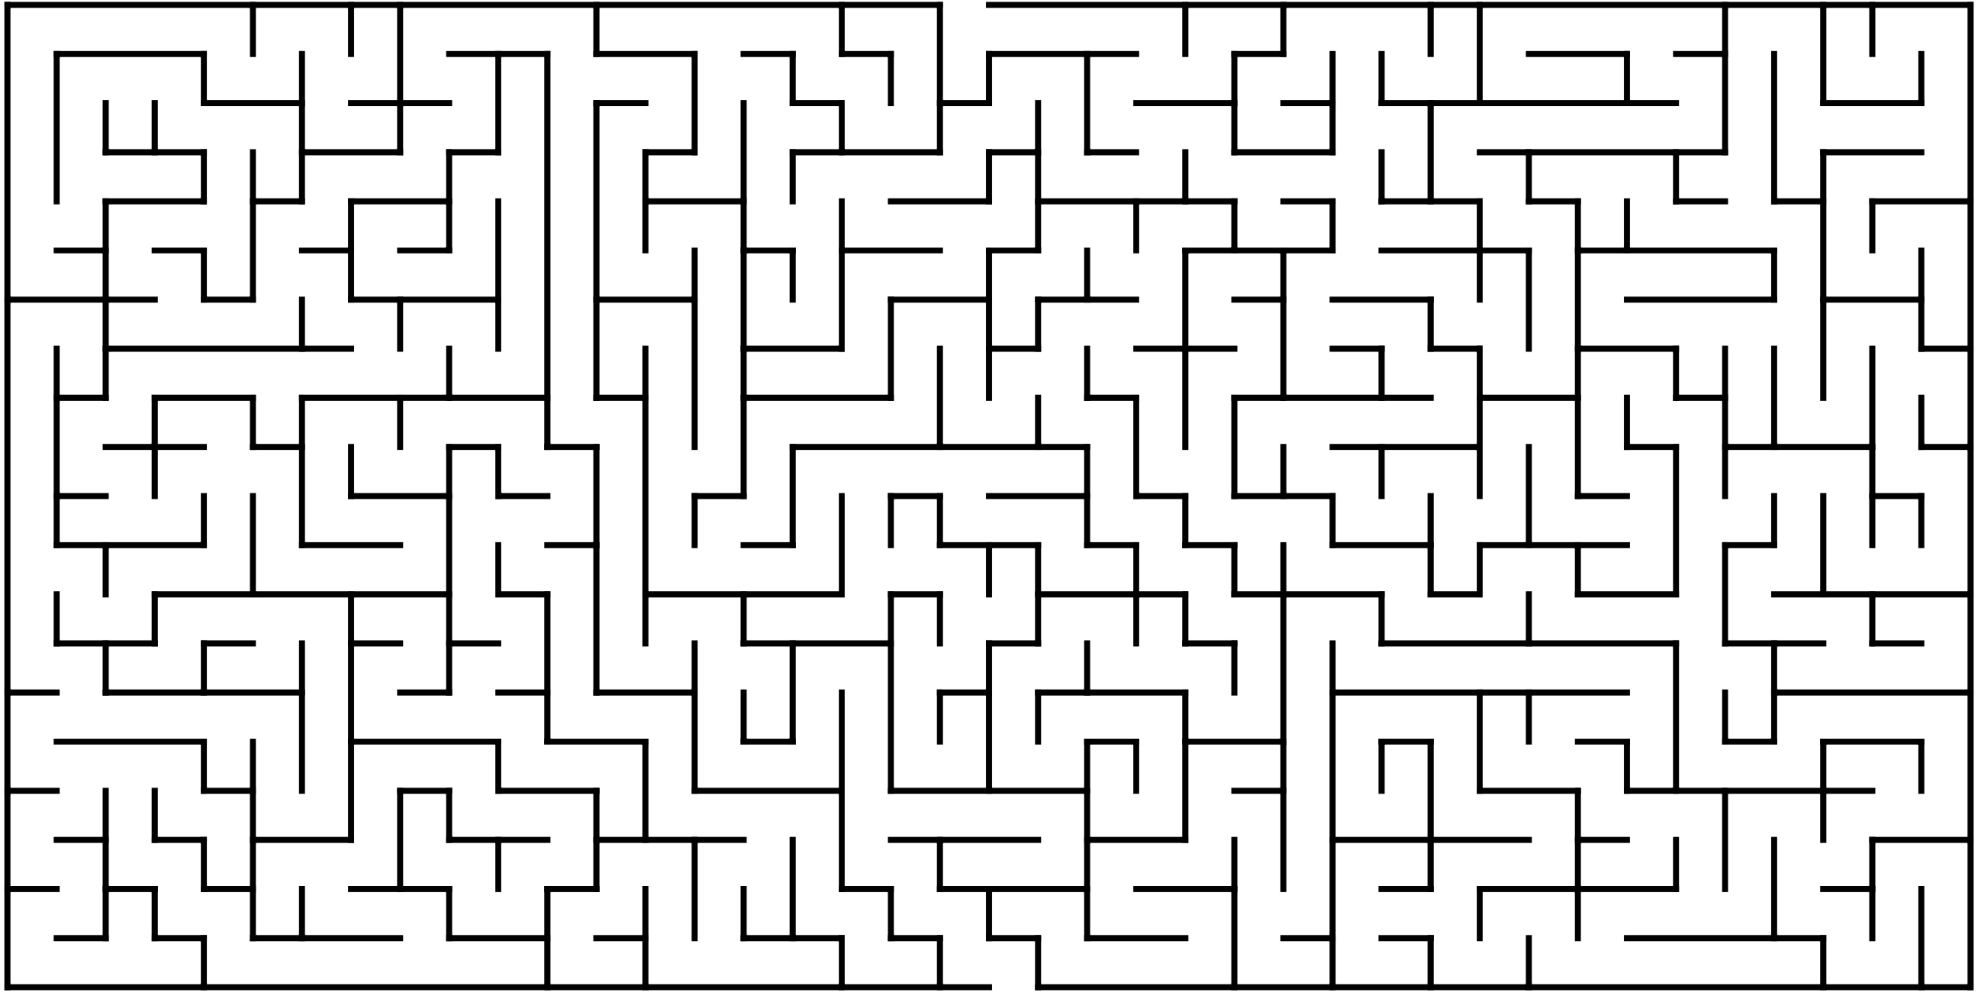

Bees, Bats and Birds
(the flyers!)

A-Maze-ing

Help Bertie the Bee find the field.

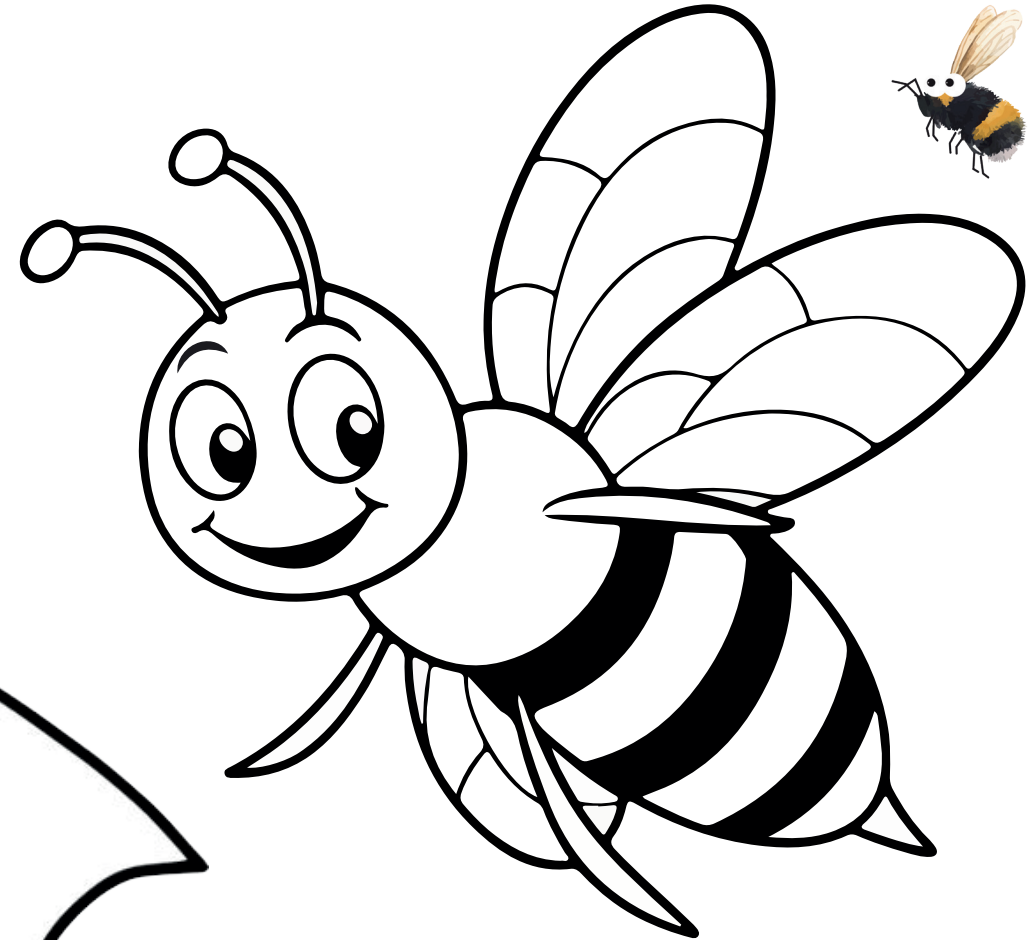

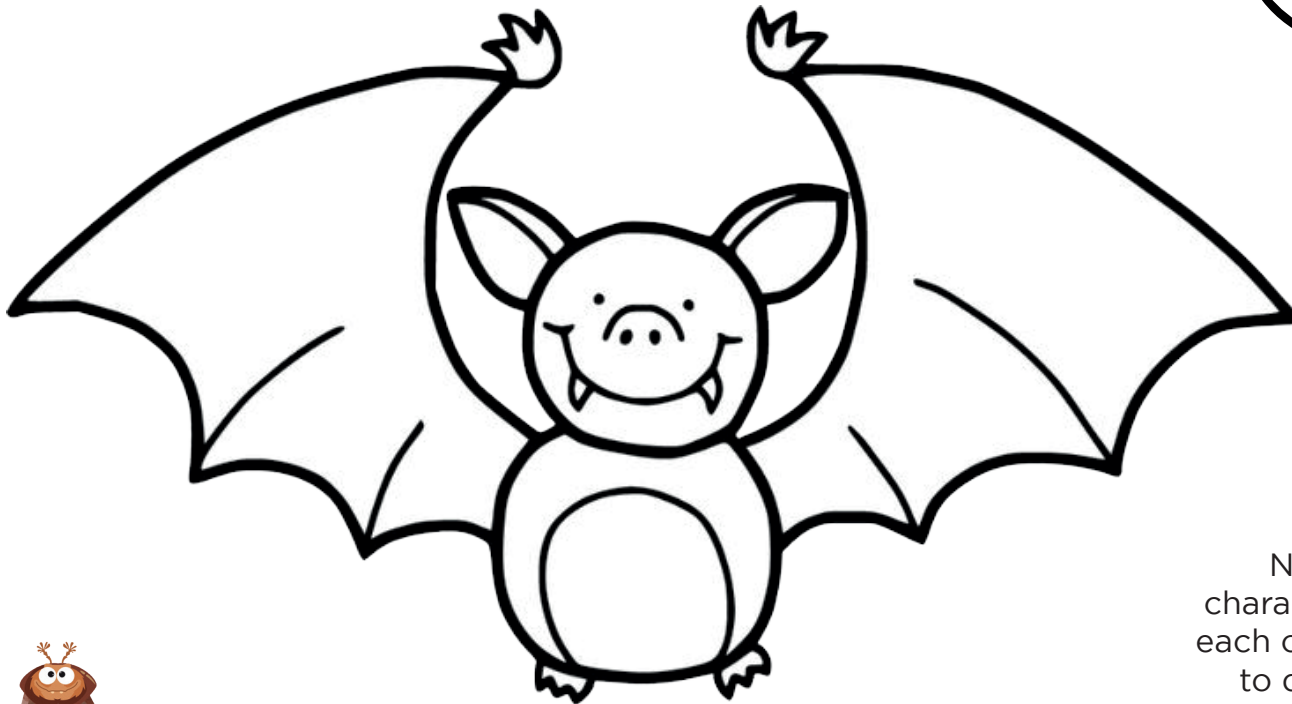

New Nature Friends

Create your own nature friends by colouring in these characters, naming and giving them a story!

_____ the bee

_____ the bat

Now that you've coloured in and named your characters, let's give them a story. How do they know each other? How did they meet? Do they have a quest to do together? See what you can come up with!
